

# Efficient Product Rebates

## Commercial Kitchen Equipment Rebate Guide

The following tables list the product requirements and rebates available for energy-efficient commercial kitchen products. For more information please visit our website [efficiencyns.ca/business](http://efficiencyns.ca/business).

If your utility bill is less than \$3,800 monthly and you have not yet purchased your products, your business may qualify for rebates in addition to those listed here.

### Hot Food Holding Cabinets

Product	Interior Volume (ft <sup>3</sup> )	Product Requirement	Rebate / ft <sup>3</sup>
½ and ¾ Size Hot Food Holding Cabinet	< 20	<ul style="list-style-type: none"> <li>ENERGY STAR® rated</li> </ul>	\$12
Full-size Hot Food Holding Cabinet	≥ 20		\$20
