

Efficient Product Rebates

Commercial Pool Equipment Rebate Guide

The following table lists the product requirements and rebates available for energy-efficient commercial pool products. For more information please visit our website efficiencyns.ca/business.

If your utility bill is less than \$3,800 monthly and you have not yet purchased your products, your business may qualify for rebates in addition to those listed here.

Pool Pumps

Product	Criteria	Rebate
Pool Pump	<ul style="list-style-type: none">• Must be a current ENERGY STAR® certified multi-speed, variableflow, or variable-speed pump• Must be replacing a single-speed pool pump• For new construction projects, please contact us before submitting your application• Recommend installation done and commissioned by a pool system contractor	\$350
